## Commander's Corner

Hello fellow Legionnaires, my first couple of months as Commander have been great. First and foremost I would like to thank Joe Foster and everyone else that helped get the kitchen spic& span and ready for the fish fry's. We now have a new web site [werner513.org](http://werner513.org) you can go to the site and it has our event calendar, Officer Information and the history of our post. We will be keeping this website up to date with any events or information that comes up. As most of you know we have a great group of guys on our Color Guard, they do an amazing job giving a graveside service to our fallen Veterans. If you would be interested in joining, please speak with Heidi. Meetings are held on the 2nd Monday of each month, we would love to see you there to share your ideas on how to improve our wonderful post. So please attend and remember this is your post and we need to keep it going strong. Thank you for all your support and lets make this a great Year!!!!!!
